

## QA Software Tester

ShopAtHome.com helps more than 15,000 online stores generate leads and sales through one of the largest coupon and discount shopping sites on the Web. With over 11 million customers and 24 years in the lead generation business, we are the leader in online coupons and deals.

ShopAtHome.com is seeking a full-time Quality Assurance Software Tester to join the Software Quality Assurance Test team. The Quality Assurance Software Tester must understand both how the software works and what the product results should be. Our website and internal systems must meet a high quality standard. If you're an enthusiastic, detail oriented person who is ready to unleash your talent and expertise for a Quality Assurance Testing team at an amazing company, then this is the job for you.

We're looking for a talented person who wants to contribute to the phenomenal growth of ShopAtHome.com - ranked #715 on the fastest growing private companies in 2011 by Inc. Magazine. You will be working on-site in a friendly environment at our convenient location in the DTC near I-25 and Bellevue.

### Responsibilities:

- Black and grey box tester
- Work closely with product managers to understand the business drive and desired outcome
- Work closely with software developers and designers to understand features and technical implementation
- Build test cases, use cases
- Document procedures
- Enforce policies and standards

### Qualifications:

- 2 + years of Software QA experience
- Knowledge of QA methodology and tools
- Ability to understand technical specifications and analyze log files
- Comfortable communicating cross-functionally and across management levels in formal and informal settings
- Strong organizational skills
- Ability to write and execute test plans
- Ability to document processes and procedures
- Experience in dynamic web content quality assurance testing preferred
- Experience in T-SQL or other relational database query language required
- Experience in automated scripting desired, but not necessary
- Experience in an Agile environment desired
- BS in Computer Science desired

### Employees enjoy:

- Competitive compensation
- 15 days of Paid Time Off (PTO) annually
- 10 paid company holidays
- Medical, dental & life insurance for employees and their dependents
- Matching 401(k) savings plan
- Flexible Spending Accounts
- Free on site gym (no excuses.....)
- Working with the greatest people ever!
